MINUTES OF SELECTMEN'S MEETING
December 2, 1955

Messrs. Wm. E. Bolshaw, W. Stacey Goddard and Alton W. Noyes were present

The meeting was called at 8:00 P.M. tonight for the purpose of holding a public hearing regarding the application of Mr. Carl Paolucci to trasfer his common victualer's license to a package goods store license.

The meeting was well attended, but very few of those present had anything to say. Mr. Bonner's attorney spoke against granting a license to Mr. Paolucci, and Mr. Mark Kelliher represented Mr. Paolucci in favor of the license.

After the hearing the Board discussed the application and decided to vote in favor of Mr. Paolucci. Mr. Kelliher was called into the selectmen's rooms and asked if Mr. Paolucci would withdraw his application for a common victualer's license if the package goods store license was granted. Mr. Kelliher said that he would withdraw the common victualer's application, and di so at 9:05 P.M. After the official withdrawal the Board voted to grant the package goods store license at 9:10 P.M.

Meeting adjourned at 9:30 P.M.

MINUTES OF SELECTMEN'S MEETING
December 5, 1955

Messrs. Wm. E. Bolshaw, W. Stacey Goddard and
Alton W. Noyes were present

The Board of Selectmen went over the 1955 expenditures and drew up recommendations for 1956 budget to be submitted to be submitted to the Advisory Committee. With the exception of the Common and the Mall accounts all requests were the same as 1955. Now that the High School is no longer using the Common for a playground a larger sum of money was requested for maintenance of the Common so that it could be put back in good condition.

We have had two parties interested in the purchase of the house which the Town owns on the Lewis Estate. Since the Town voted to sell the building only, it was agreed that we would talk with the School Committee regarding how soon the property should be removed, and definite steps taken to sell it.

The old Larabee fire truck has been dismantled, and as we do not have authority to sell it arrangements were made to store it in Mr. John Carroll's garage until we could have a Town Meeting, at which time we would request authority to dispose of it.

Meeting adjourned at 10:30 P.M.

MINUTES OF SELECTMEN'S MEETING
December 19, 1955

Messrs. Wm. E. Bolshaw, W. Stacy Goddard and
Alton W. Noyes were present

A public hearing was scheduled at 8:00 P.M. in the Selectmen's Room regarding an application made by the Brookfield Wrecking Co. for a Class 3 Automobile Junk Dealers License to cover a new location adjacent to their present location. The only persons appearing at the Meeting were the owners of the Brookfield Wrecking Co., Mr. Simon Weiner and Mr. Morris Lubin. The selectmen have, however, had a few people approach them protesting any license that would expand activities of the Brookfield Wrecking Co. The sentiment of the Board was against granting such a license, but it was agreed to consider the application further before making a final decision.

The Board received a petition signed by about thirty (30) citizens of the Town requesting that a basket ball team formed by the American Legion be given permission to use theTown Hall for practise and for an occasional game. It was voted to grant such request, and further decided that an article would be put in the next year's annual warrant to let the people decide whether they wanted to continue to have the Town Hall used for this purpose.

Mr. Robidoux of the Board of Registrars submitted his resignation to the Town Clerk. It was voted to appoint Mr. Henry Burt as registrar to fill out the uncompleted term of Mr. Robidoux which expires in March 1957.

Meeting adjourned at 10:00 P.M.
