IN MEMORY OF VETERANS OF ALL WARS
Memorial Day Parade, Monday, May 28, 2012

Again is a grateful nation called to refresh the memory of her fallen sons and daughters. The veterans of the republic come once more to reverently call the roll of the "mustered out" and strew with wreaths and flowers their honored graves.

Memorial Day calls upon a united nation to appropriately mark the last resting place of our sons and daughters who saw service while following the flag in times of war. Fellow citizens, Comrades of any military organization, all Comrades of the Army, Navy, Marines, Air Force or returned Comrades of the same, Veterans of all wars, all Service Men and Women, Town of Brookfield Police, Firefighters, First Responders, Civil Defense, Emergency Medical Technicians, Sons of the American Legion and V.F.W., Scouts, 4-H Youths, Recreation Teams, Students and Parade Units are earnestly invited to join us in a proper observance of this day.
