Guests: Lisa Merow came to offer hot air balloon rides to people who attend Apple Country Fair. Re-Max would provide the hot air balloon. They need football sized field. The charge would be $5 per rider. The proceeds would go to the Elementary School. The rider would need to sign liability waiver. Rec said we would check on Lewis field to see size and get back to her.

Dan & Patty Gould asking if they can use the Elementary School gym 1 night a week for Judo classes. These classes are for 2 hours at a cost of $3 per child or adult. We said that we would share the gym. They were told to go see Mrs Hasterman and fill out a School use form. They have their own liability insurance.

Basketball: Sign-ups are still going on. We've had a good turnout so far. We agreed for anyone to get a scholarship they need to help

out. They can do anything from coaching to hall patrol. All rec. members should also volunteer. Camp Bourndale parents wondering if they can sell snacks and drinks at the games to help raise money. We need to talk to Mrs Hosterman.
At the coaches meeting all coaches will be told the rules. This year they will get one chance to play by the rules or they will be out. All coaches need to remember that this is only rec. ball.

Halloween: Trick or Treating will be October 31st from 5:30-7pm. A parade and costume contest will follow. A letter in the White Tiger news will be written by Lesley asking for candy donations. A letter also needs to be written to the P.D and F.D informing them of our decision, in hopes that they will attend.
