Cedric Sheri Gilman will be coaching 3rd & 4th grade boys with Chris Merow assisting. John needs to get parents of 5th & 6th grade students together to tell them that we need a coach. No one should have to coach 2 teams, its unfair to the person that volunteers. Denise Senosk will be in charge of Tribal basketball for 3 more years. Parents and the children who need financial aid need to volunteer. If we help them, they should help us also.

- The recreations insurance will not cover the Re-Max hot air balloon offered by Lisa Merow.
