Guests: PTO came to talk to us about joining them for a 5K fundraiser. Maybe do it on Family Fun Day. We will speak as a committee and get back to them.

Lewis Field: Clean-up day will be April 16th (rain date 17th). Suggestion came in that we should do equipment exchange where kids can bring in things that no longer fit in exchange for larger ones. (cleats, gloves, batting gloves).

Family Fun Day: Need to think better about costs this year. Should we charge more for food? Charge for arts & crafts? We need to have more volunteers this year. If we do the 5K with the PTO then they will help at Family Fun Day when the race is over.

Banquet: We will meet at 6:30 to set up. DJ will play from 7:30-11:30. Lesley get tableware. Caroline will get coffee, sugar and milk. Dave will bring coffee pot.
