Recreation Meeting
6/5/12

- Attending: Gretchen Couture, Caroline Phillips, Chris Merow, Jeff Landine, Kyle Hill, Sherry Gilman & Lesley Murray

- Bills: Ntl Grid $10.93

- Guest: Rudy Hiller. Jeff stated that we, as rec, are not happy that our plans were mistaken and changed for the warrant. We want to pave loop and grade lower lot. Rudy stated that he would read all warrents then. Jeff asked if it would be better for rec. or Rudy to amend the motion. Rudy wonders if enough people will be there to pass it. Rudy will not block the motion for the money to go to repairing.
  Rudy told us they will discuss whether or not to control lawn mowing person at their meeting on the 15th. They want to change from 4 part timers to 1 full timer to take care of all the lawns. One dept will be in charge of co-ordinating this persons job & hours. (Where and when to be). We thought this discussion was done as our mower was donated.

- Baseball/Softball: All Star games cost $50 per team to play. Caroline made a motion to have rec pay for this for our towns kids. All were in favor. Motion was passed.
