Recreation Committee
Meeting Minutes
April 3, 2013

Attending: Caroline Phillips, Jeff Landine, Kyle Hill, Jake Hill & Lesley Murray

Lewis Field: Snack Shack - trying to figure out how to run it this year. We need to reach out for volunteers. Bleachers need to be put together and the slide fixed! Clean up will be rescheduled for the 13rd with the rain date being the 20th 9AM-finish. We need to advertise for refolumps

Guest: Steve Comtois: Jeff asked him to come and answer questions for us. Steve gave Jeff permission to contact lawyer for Town to ask questions on an impending meeting. We are allowed to speak about the issue brought forth. We can not touch anything from the past. If we have given notice to both parties and only one shows, the meeting can continue. What we make as the decision is final. We lay down the rules and said consequences.
