- Guest: Meghan Robidoux came to see if interested in joining.
- Chris Merow wrote a letter of resignation, Jake made a motion to approve. All in faror.

- 4 parents came in to question baseball. The league decided not to have Minor baseball this year. Parents concerned that majors are above their boys level. We need to get Coaches involved in creating teams as they know if a child is playing at correct level. We are hoping other parents in towns are also coming forward to complain that way the kids can be put back down on minors until ready for majo. They were involuntary moved up so should be no problem to move them.
- Batting Cage will be put up Sat. at 9Am
- Snack Shack: We dont want to invest in stocking up until we have more volunteers. Jeff will ask Gretchen to put in W.T.N. that we are looking for co-ordinator.
- Jeff asked Mr Fagno about fixing field at B.E.S. Was directed to speak to Mrs. Hesterman who asked him to speak to Tim. Tim has no problem with them adding sandstone under plates so bases

dont get drenched when it rains. Kids are playing T-Ball games there now.

- Mulch was delivered this weekend. The kid who needs to finish his community service with us will spread it.

- Jeff was in touch with playground co. to get right slide. Woman will speak with boss to figure it out. Need to order new swings also.
