He said they will be even more involved next year. Eric asked if they could do fingerprinting/id card - he will look into it. Chief agreed to be a judge at Halloween. Jeff will ask Mrs Hosterman.

FFD: Jeff thinks we should send thank-yous to all who volunteered their time or services for us. All agreed. Eric will find out amount of food we got to help in future. Jeff suggested using binders for every event so we can look back and get ideas. We need more activities for the older kids in the future - too many for the youngest.
