Meeting called to order at 6:43, motion- Peter Masuzzo, 2nd Jeanne Lytle

1. Guest Peter Lescord, leader, Brookfield BSA requested approval to have the troupe stay on the common overnight on Saturday June 12 as a promotion for the new troupe he has formed. They will practice "no trace left behind" policy. He expects that 20 scouts, the Girl Scouts and the Brookfield Recreation Committee will be there during the evening around a campfire. The fire will be small and there will be no trace of it left behind -- he will use a raised firepit made from a 55 gal drum. They will leave in the morning after a Sunday morning All-Faith Service.

Motion to approve - Diane Oliver-Jensen, 2nd Jeanne Lytle -- 7 approved, 1 abstain --(Peter Masuzzo)

2. Kathleen then read a letter from The National Trust informing us of an approved grant application that the committee made to the Johanna Favor fund of The Trust. Discussion followed on how to present the information to the press and public. Matt Bansfield would write a press release and Kathleen would present at Town Meeting in a presentation urging passage of a matching amount from the town at the meeting.

3. Peter Masuzzo would contact Martha Lyon to set up a joint meeting to review the landscape of the common. Meeting to be determined by available dates for Martha Lyon.
