March 31, 2010

Present Donna Wentzell, Brenda McElroy, Philip Peirce

A vote taken on February 17, 2010 eliminated sending a certificate of abatement for Motor Vehicle Excise tax. After researching the effects of that move, it was found that we needed to reinstitute the procedure. A vote was taken to rescind the 2-17-2010 vote with all in favor.

Respectfully submitted,

Philip Peirce
Assessor
