Meeting Notes

April 14, 2010

Present: Brenda McElroy
Philip Peirce
Donna Wentzell

Phil recounted the steps taken at the Milford Town Hall prior to the ATB Hearing on property 5B - 18B. A compromise was reached when Bishop & Associates made an offer to abate the FY2009 tax bill, allow the FY 2010 bill to stand as is since no abatement was filed for that year, and further adjust the full assessed value for FY2011 of the property at a level accepted by the property owner. Re: Docket Number X303007-09.

A vote was taken to approve the actions taken as outlined above. All in favor.

Respectfully submitted,

Philip Peirce
Assessor
