Meeting Notes

June 16, 2010

Present: Philip Peirce
Donna Wentzell

Offers to applicants for abatement, (Re: meeting notes dated 5/26/2010), were made as voted at the previous meeting, by Philip Peirce through telephone conversation or direct contact. Both offers were accepted as offered.

An application for abatement to Personal Property was re-reviewed, noting that the business had been closed as of 9/21/2008, and was not eligible for a tax bill for FY2010. A vote was taken to approve abatement in full, with all in favor.

Respectfully submitted,

Philip Peirce
Assessor
