David Caron came to observe. We discussed his system at 23 Central (which has failed). After some discussion he left.

John David Holdcraft--He requested a sequence form be signed for a de: wants to build onto his house on Lake Road (Part of Jeppsom Farm). We referred him to Mark Farrell. There had been a complaint about the on this property and Mark was investigating it. Mr. Holdcraft said in the process of repairing the system.

We will tell Cox Engineering to notify Charlton Well that they were the bid for installing the wells at the Landfill.

Donna Wentzell came in to request that she be allowed to replace her husband at the Recycling Center while he is recovering from surgery. both agreed to this.

Next flush test at the corner of Central and Pleasant Street is sche for April 3re at 9am. I will notify all concerned.

Correspondence was read and bills were paid.

We adjourned at 8:10pm.

7pm-Richard Cox and Phil Peirce to further discuss the Landfill well bids. Mr. Cox had met with the DEP and we need 3 rock wells. Wells will buy us Landfill time if testing is negative. A total of \$25,000 at the town meeting will pay for the first round and possibly the second. We will go with the low bid from Charlton Well if we get the money. Before the meeting we will have bids on the testing.

7:40pm-Norman Woolard-Susan Nelson-He has still not corrected the plumbing problems and has been ordered by the Housing Court to do this. He also has not addressed the lead extraction problems. The Inspector of Buildings is to inspect this on Saturday.

Susan also requested a letter be delivered to Fred Eastwood telling him to immediately provide covered trash containers for his tenants and see that the trash is picked up.

John and Lynn Boczyk needed sign off for kitchen extension.

Ross Corriveau-Rice Corner Road-needed his form signed.

Richard nominated Harvey Bennett as Animal Inspector. This was so voted.

We processed bills and reviewed the mail.

Adjourned at 8:30pm.
