

TOWN OF BROOKFIELD
BOARD OF HEALTH

RICHARD HOPE, CHAIRMAN
DAVID CARON, MEMBER
RONALD NICOLL, MEMBER
SANDRA GUYETTE, CLERK

* Members present: Richard Hope, David Caron, Ronald Nicoll and Sandra Guyette.

The meeting was held at the Town Hall on Thursday, June 2, 1994 at 7:00 p.m.

First on the Agenda, Ed Jeuder, Recycling Monitor, appeared before the Board for purposes of handing in money and to discuss the new dump stickers. Dump stickers, #0-100, will be given to Carol Plumb by Ronald Nicoll for distribution.

Second on the agenda, open discussion occurred concerning old business matters. The first item discussed was an invoice from T.J. O'Keefe Construction, Inc. for transporting the paper trailer. It was noted that Lawrence Peck had agreed to transport the paper trailer for free and that the bill should be forwarded to him for payment. The Clerk was instructed to prepare a letter to T.J. O'Keefe identifying the reasons for non-payment. Second, David Caron inquired as to the status of issues outstanding with respect to Pine Lane residents, more specifically, Larson, Moriarty and Fogwill. Richard Hope indicated that those issues were dead until such time as a decision is made as to town septic.

Third on the agenda, open discussion concerning Northern Pike Trading Post took place. Richard Hope indicated that the Board should receive a package from the Department of Environmental Protection within a few days, giving the Board the Order to close Northern Pike Trading Post; no action will be taken by the Board until that time.

Fourth on the agenda, Richard Hope indicated that Mrs. Berthiaume sent in a request for a Septic Hauling Permit, but that the appropriate monies were not sent with the request. Upon receipt of the monies, the Board will send her the appropriate Septage Permit Forms.

Fifth on the agenda, Richard Hope made a motion to adjourn the meeting. The motion was seconded by David Caron and it was unanimously voted to adjourn at 7:55 p.m.
