

Brookfield Board of Health
Public Hearing
Minutes
11/17/08

In attendance: Kim Longe, Mike Seery, Keith Karrmann and Lucinda Thompson,
Recording Secretary

Chairman Mike Seery opened the Public Hearing at 7 PM in the Banquet Hall. He explained to those in attendance that the original reason for the hearing was to allow Brookfield Board of Health to review and adopt Outdoor Wood Boiler Regulations. Due to DEP's plan to pass regulations in the next 2 weeks Brookfield has decided not to pass any additional regulations at this time. Preexisting boilers will not need permits according to the DEP regulations. It will be up to the board of Health to determine if they will issue permits. The board would like to schedule a meeting with the other town inspectors to discuss Outdoor Wood Boilers

Mike made motion to adjourn the hearing at 7:30 PM, Keith Karrmann, seconded; so voted.

Respectfully submitted,

Lucinda Thompson
Recording secretary
