

Brookfield Board of Health
Meeting Minutes
January 11,2011

Board Members Present
Daniel Leahy-Chairman
Michael P. Seery- Vice Chairman

The meeting opened at approximately 5:36 p.m.

- Minutes of 11/8/10 were approved on a motion from Mike Seery with a second from Dan Leahy
- Discussion of letter received from a resident of Brookfield Meadows regarding a generator to operate the well pumps during power outages. Cindy will check with Bruce Clarke, Water Superintendent about a contact at DEP who might be able to help us answer these questions.

Transfer Station Update-

- Bill Brisebois has retired and Steve Chickering is taking his place.
- Jim Hanson is planning to retire in March. The board agreed to advertise his position.
- Mike will ask Jim Hanson to do a bag inventory before he leaves.

Discussion of Septic Installer Regulations-

- Mike Seery made a motion that: Septic Installers shall provide within 6 months of installation the most recent certification of Title 5 septic sand or C33 septic sand; Dan Leahy seconded the motion; so voted.
- The board would like to move forward with developing Septic Installer Regulations.

Discussion of Quaboag Current article about Wagon Wheel Parks Septic System

- The board agreed to write a letter to the selectmen asking why the Board of health was not included in the discussion with the representatives of Wagon Wheel Park and reminding them that Title 5 issues come under the jurisdiction of the Board of Health.
-
- Mike Seery made the motion to adjourn the meeting at 7 PM Dan Leahy seconded.

Respectfully Submitted,

Lucinda Thompson
Recording Secretary
