

SEPTEMBER 2010 CEMETERY COMMISSIONERS MEETINGS

DATE: 9/8/2010 **TIME:** 18:00 – 18:45

MEMBERS PRESENT: Peter Masuzzo, Wayne Yaskoski, Guest - Ron Couture & the Historical Commission.

PLACE: Cemetery (Old Section)

AGENDA:

Review Hovey Family Request for a Plaque – the Hovey family were one of the first families to settle in the area. It is thought that their family's tract of land may have incorporated the land that eventually was developed as the cemetery. Though no family members are buried in the cemetery the family would like to place a plaque in the 'old section' recognizing the family as one of the original settlers and the land they owned. Motion was made and seconded to place the plaque by the heritage White Pine in the old section. All present voted AYE to the chosen area. Ron Couture will notify the Hovey family they can place a plaque in the cemetery based on the design & approval designated by the Mass Historical Commission.

DATE: 9/13/2010 **TIME:** 17:00 – 18:30

MEMBERS PRESENT: Art Jay; Wayne Yaskoski, Guest - Ron Couture (Historical Commission). Martha Lyons

PLACE: Town Hall

AGENDA:

Gate Restoration: Martha has prepared the bid packet for repair of the Iron Gates. The packet was reviewed and a motion was made and seconded to accept the packet. Art Jay and Wayne Yaskoski voted AYE to accept the packet. Martha will send the packet to the Central Register.

New Business:

Archway Restoration: The repair work on the archway is not being performed by Dario in a timely manner. He has already missed the July 1, 2010 deadline for completion and is doubted he will meet the extension date of 10/1/2010. A motion was made and seconded by the Cemetery Commission for Martha Lyons to contact Dario seeking an explanation of why the lack of work, what his plans are and to notify him the contract may be terminated as funding for the project may be pulled by the funders for lack of progress.

Respectfully Submitted,

Wayne Yaskoski-Chairman
