Mr. Mike LaRocca opened the meeting at 7:00 p.m.

Mr. Martin Bannish attended the meeting and requested the proper method to apply to the Conservation Commission regarding three (3) trees he would like to cut down on his property at 18 Brunnell Avenue because the trees are presenting a hazard. Mr. Martin presented a sketch of his property that has a boundary on North Pond and that showed the position of the trees. The Conservation Commission informed him that because he was at the edge of the bank of North Pond and in the 100 foot buffer zone, he should submit a Request for Determination. The Conservation Commission will respond to that at the next regularly scheduled meeting, Tuesday, December 18, 2012.

No applications were presented.

MACC submitted a bill for the Conservation Commission membership which is an annual item and will be paid by treasure.

No other correspondence required discussion or action.

Mr. Cleveland made a motion to adjourn meeting. Mr. John O'Leary 2nd the motion.

The meeting adjourned at 7:45 p.m. Our next scheduled meeting will be on Tuesday, December 18, 2012.

Respectfully submitted,

Timothy Simon
