BOARD OF SELECTMEN

The Brookfield Police Department had 4 officers for the Family Fun Day at Lewis Field. We had the SUV cruiser on display along with hand outs. We also assisted with the use of our radar gun for the baseball throw.

Officer Cameron and Officer Baird work very hard on two Breaking and Entering cases. The hard work that they put in resulted in 2 arrest for the Breaking and Entering cases. Both Officers did a great job on these cases!!

During the investigation of one of these case resulted in some drug charges, along with seizing a number of marijuana plants and some growing equipment.

The Department also was active in the Click It or Ticket grant.

This August was a very busy month. The investigations that were and are currently being investigated are very time consuming complicated. These types of investigations require a number of processes that have to be completed. Some of the processes can take months to be completed. The Officers are still working very hard on these cases.

Also this month the Department purchased 2 Portable Breath Machines along with a camera unit that we hope to put into the **new cruiser**. This equipment was purchased through the Click It or Ticket Grant, the equipment portion of the grant.

Respectfully Submitted

Christopher Welsh Temporary Acting Chief
