Attached you will find two letters that I received from citizens. These letters were in regards to calls that Officer Cameron and Officer Baird responded to. Both Officer Cameron and Officer Baird represented both the Town and the Police Department exceptionally. I would like to request that the Board of Selectmen recognize these letters at their next meeting. (See attached letters)

Holly Chisholm also started the cell phone for the elderly program. This program is for the purpose of being able to contact 911 for people who do not have cell phones primarily the elderly. The program allows the Police Department to collect old unused cell phones and have them refurbished by a company out of Florida. The company in return sends us cell phones for people to use for the purpose of calling 911 in an emergency. If the Board of Selectman could make an announcement asking anyone with old unused cell phones willing to donate them to please contact the Brookfield Police Department or Drop them off at the Town Hall or the Library. These locations will have Boxes marked for the donations of these cell phones. I would request that the Board of Selectman recognize Holly Chisholm for her outstanding work on this program. Thank you and Happy Holidays to Everyone

Respectfully

Christopher Welsh
Acting Chief of Police
