The Brookfield Police Department had 2 open house events for the Merick Public Library. This open house had 15 to 20 children who attended and was for the pre-school ages. This is the second year that the Department has held this event and it appears to be getting a positive response.

The Department also worked with the Merick Library for the Bicycle Safety Day. This is the second Year in which we held this event. The event provided approximately 60 bicycle helmets to the children of Brookfield. The Brookfield Police Department along with the Merick Library has work hard to continue this event for the personal safety of the children in Brookfield. We will hold this event again next year.

The elementary school completed a school lock down drill. The lock down drill went very well with the school meeting all safety requirements. Excellent Job!

We have also worked on the Bullet Proof Vest Grant. Officer Cameron completed the work on this Grant.

This was a challenging month due to the cuts that had to be made in the Police Department Budget. This hard and challenging work took several long days and team work to complete. I would like to thank Holly Chisholm for the time and effort she put forward in achieving the goals that were set for the Department to reach.

Respectfully Submitted
