**Basketball** - Coaches vs Cancer weekend went well. We were able to raise \$310.00 which was added to the three other towns in the Trybil league that participated and a total of \$2500 was raised. Thank you Caroline and Leslie for all your help.

Two of our members brought a couple of issues before the committee: Denise as director was asked to speak to the 3+4th grade boys coach and the 7th+8th grade boys coach (same person volunteered for both spots). The boys on both teams seem to have a problem with respect for the assistant coach when the coach is and is not present at practices and games. 2nd issue - The assistant coach of one of the 1st-2nd grade teams and the 3rd+4th grade girls team has "been out of control", yelling at players, refs and is overly animated. He has previously been asked to settle down and remember that these are young kids and can be easily hurt by this behavior. Also the coach of the 3rd+4th grade team has not been subbing as should be done with the "equal play time" rule. Denise will address all the above issues to the involved individuals. Update at next meeting.

**Coaches/Rec Volunteer Banquet** - Scheduled for April 18th at the Rod and Gun Club. KT Enterprises will once again be asked to provide the entertainment. More information to come.

**Baseball/Softball** - Registration nights will be held at the BES gym on the 9th, 10th and 11th of next week. Fees have not been raised as the Rec committee has agreed to allot \$10.00 per Brookfield child that has registered. Jeff Edwards as Coordinator of the Brookfield program, has informed us that the players will be given a shirt and hat that they can keep at the end of the season. This year he will hand out all the pants that we have and after this year the town will not provide pants for the players. They will be responsible for their own.

**Lewis Field** - Clean up at TBD - Dugouts have been on hold for the winter. We are looking for someone to help out with the excavation. Brenda will check with Andy Robinson. Dug out supplies were purchased last year and are currently being stored in the Pavillion along with the new metal door purchased to replace the door ruined during the vandalism.

The ditch at the entrance is once again full of debris. John Washbrn will be asked not to put anymore brush in the ditch. Jeff Edwards will speak with John Washburn regarding his duties at the Lewis Field. New forms to be completed and will need to be filled out so we can "keep track" of exactly what is being done for the amount of hours submitted.

**Family Fun** day has been set for August 22nd. More information will follow within the next few meetings:

MTA - John Quevillion, 2nd Leslie Murray

Next Meeting - February 19th 7:30pm at the town Hall

Respectfully submitted

Committee Chairman
