

**Brookfield Recreation
Meeting Minutes
8/3/09**

Attending: Caroline Phillips, Denise Senosk, Lisa Caron, Jeff Edwards, Dave Proulx, Rob, Kenyon, John Quevillon, Brenda McElroy, Sheri Gilman (to be reappointed), Lesley Murray

Bills: Some were paid but not listed due to switch over of secretarial position. (please see Lisa Caron for list paid on 8/3)

Lesley Murray has agreed to take the Secretarial position within the committee. Thank you Lesley. After a lengthy discussion, noone has agreed to take the Chairman or Co-Chair position. More discussion at the next meeting.

Guest: Kevin Hart - interested in joining recreation Committee. Submitted letter of interest. Brenda copied the letter and put in in the selectmans mailbox. Kevin is from out of town. Kevin was then asked to leave and would be notified of the outcome. Current members had previously voiced their concerns to Mr. Heller regarding issues with Kevin Hart that were not handled properly. Per suggestion from Rudy Heller, the current members voted to recommend that Kevin be allowed to join the committee. Voted on 5:3 in favor.

The rec committee presently has 11 members. To allow other members to join, a motion was made to change the number of members to 13. This would still allow an odd number of members (great for voting purposes). All in Favor. It was also discussed that members need to make every effort to get to scheduled meetings. Rob voiced concern that he travels alot with his job and may or may not be able to make meetings. A comment was then made that he should give up his position and make room for someone who can be more reliable.

Family Fun Day: Caroline is contact person for all FFD inquiries. John Q. was able to obtain a moon bounce for the day,. Denise spoke to Cultural council, the EZ ups are available, Brookfield Rod & Gun will allow us to borrow 40 chairs and 3 or 4 wooden tables. Caroline will try to get more tables. They need to be picked up Friday night 21st. (Dave and Jeff agreed to take care of that) and Alm & son will deliver the port-a-pottie on Friday. Lisa secured the rental of the sno cone and cotton candy machines. Lesley, Lisa and Brenda will take care of all raffle items. Currently, 1 tupperware basket, 2 avon baskets and 2 Back to School baskets. Caroline needs to get into the pavillon to inventory craft items. Jeff, Dave and Brenda have the keys. Caroline will make up a list of food item needed and bring it to Hannafords for a price. More information at next meeting 8/17.

Soccer - All set ready to roll - Due to Brendas busy schedule she has not had a chance to do the cori checks - Officer Walsh was called and asked if he would be able to help us. He informed us he would try and would get back to us. Denise and Breanda were previously certified to run Cori, but with Denise stepping down she notified the CHRSB she would not be running them. Dave Proulx has taken on the task of getting them done. It was decided that practices could not start until they were done. Deb Maus (soccer coordinator) would be notified.

Basketball - John Q has agreed to work with Denise as town coordinator this year. Denise will continue as League Director but will step down as Town Coordinator. She will help John this season during the transition. Looking to start signups at BES open house. more information to follow.
